

MUSIC INFORMATION

Grand Assembly 2019 soloists, Instrumentalists (keyboard, strings, brass, woodwind, percussion), Handbell Choir, and Grand Choir

NOTE: All soloists, Instrumentalists and Handbell choir members, must also participate in Grand Choir unless they are a Grand Officer.

SOLOISTS – are needed to sing solos for Grand Assembly. There are several ways to audition

1. PLAN TO COME TO PATTON FOR MUSIC WEEKEND, JUNE 7-9, 2019. I will audition for solos during this weekend.

2. Email me (put Grand Assembly in the memo line).your application and skype or facetime address. I will make a “date” with you to do your live audition, so that we can talk about your performance and I can offer suggestions.

3. Email me (put Grand Assembly in the memo line).your application and an .mp3 recording of you singing with an accompaniment.

The audition should include “Holy Bible” and another contemporary Christian song of your choosing that would be Rainbow appropriate. If you need accompaniment, I will email you an .mp3 of an accompaniment for you to use during your audition. Just let me know if you need it.

PIANISTS or OTHER INSTRUMENTALISTS – who can play part of a half hour program of music on the piano or other instrument for the opening of each session are needed.

Any instrumentalists who would be able to play one or two selections as a solo or duet (with someone in your assembly, perhaps) are invited to play during the prelude times before the meetings (Wednesday night – 15 minutes; Thursday morning – 30 minutes; Friday morning – 30 minutes; Friday night – 15 minutes). You DO NOT have to play the entire time. You may play anything, subject to approval of the music deputy. If you need a piano accompaniment, an accompanist will be provided. Once I have the information from all who would like to play, I will assign you to the day and session when you will play.

There is also a possibility that we can have ensembles again this year. If you are interested in playing in one, please indicate on the form.

- a) Please send me the title of your piece(s) and its length (so I can plan who plays when).
- b) Final date to apply is **June 7, 2019**. YOU MAY ALSO CONTACT ME AT PATTON ON RING, SING AND SWING WEEKEND.
- c) You should bring your instrument and, if possible, your own music stand to Grand Assembly.

GRAND ASSEMBLY HANDBELL CHOIR – This is a Team experience that is a lot of fun. We will play on Saturday. If we have enough girls, we hope to have TWO choirs this year, one for new inexperienced ringers and one for more experienced ringers. Beginning ringers (Choir ONE) must know their left hand from their right (!) and be able to count to at least 6. The ability to read music is a definite plus, but not a requirement. Choir TWO ringers should be able to read music, such as those who study voice or an instrument.

- a) Since we will not be playing during sessions, you may be a Grand Officer, a Grand Representative or Grand Page and still participate in the Handbell choir
- b) Final date to apply is **June 7, 2019**.

- c) There will be a rehearsal at RING, SING AND SWING WEEKEND.in June and on Wednesday **MORNING** at Grand Assembly. Girls selected to ring, will be expected to attend all rehearsals.
- d) Final rehearsal **and performance** will be at Grand Assembly on Saturday, July 13. We will rehearse prior to drill completion and perform during coronation
- e) You will receive more information after the selections have been made. Participants in prior Grand Handbell Choirs will be considered first.

GRAND CHOIR – The Grand Choir will provide ritual music and a special piece of music for the meeting on Thursday. Music will be presented and rehearsed during RING, SING AND SWING WEEKEND at Patton

- a) Please recommend girls who sing in school or church. We ask you to divide voice parts among the group of girls you are sending (soprano & alto). We would like an equal amount of voice parts from each assembly represented, if possible.
- b) Names sent before **June 7, 2019**, will appear in the program. Names sent after the deadline will be accepted, but may not appear in the program.
- c) Preferably, songs to be sung by the Grand Choir for initiation **SHOULD BE MEMORIZED**. MOTHER ADVISORS: I have white folders with the song words which I will bring to Grand Assembly. If you already have white folders with the music for your assembly, please bring them if you wish The songs are as follows:

I will email you a .pdf copy of the music and an .mp3 file of the music parts and accompaniment for your rehearsals. Music may be copied and used at Grand Assembly **ONLY** if it is in a White Folder. I have white folders for assemblies who do not have them. Purchased copies of the music are in the possession of the Grand Deputy.
